The HOTTEST Birthday Parties are NOW at the COOLEST place!

PARTIES MAY BE HELD

Monday through Sunday

During the months of
February through December

The Fire Museum of Maryland houses one of the largest and most comprehensive collections of both antique and recent fire-fighting equipment in the world. It was founded in 1971 and continues to provide a wonderful opportunity for children of all ages to learn the importance of fire safety and fire prevention in a fun, safe and interactive setting.

Turn up the heat and get ready to plan your child's next birthday party at the neatest place in town

A private, temperature-controlled party room will be made available to you and your guests for 2 hours. You will also have unlimited use of our fantastic children's Discovery Room* where party-goers can dress up as fire fighters and sit behind the wheel of a 1938 Mack fire engine!

Additional activities are available for an added fee, and include riding on a real fire engine, visiting with a firefighter, taking a tour of the Museum, and doing a craft. Talk with the Museum's party planner for more information & prices!

**note the Discovery Room is also open to the public during regular Museum hours*

The Museum is supported in part by a grant from the Arts & Science Commission of Baltimore County

Basic Information

- The cost is \$200 for 2 hours; for up to 20 people, ages 2 and up.
- Additional guests are \$5 each.
- Reservations require a \$50 non-refundable deposit.
- Cancellations require a 48-hour notice.
- Customer must supply all food and party-related supplies.
- The Museum will supply tables, chairs, refrigerator and trash cans for the reserved party room.

**Note: Museum Members receive a special discount on parties, so this might be a good time to join!*

The entire Museum as well as some fire engines are also available for rental for private parties and special events.

Call: 410-321-7500 for information.
