PARTIES HELD ALL YEAR ROUND!
SATURDAYS & SUNDAYS

"I simply cannot tell you how impressed both my husband and myself were with your space.

It completely exceeded my expectations.

I was worried the kids would get bored...and I couldn't have been more wrong! They didn't want to leave!"

The Broome Family

The Fire Museum of Maryland is one of the largest Fire Museums in the world.

Founded in 1971, it provides a wonderful opportunity for children of all ages to learn the importance of fire safety and fire prevention in a fun, safe, and interactive setting.

The Fire Museum is supported in part by the Citizens of Baltimore County and by Maryland Humanities.

Your Party Includes:

A private party room for you and your guests for two hours.

Our party room includes four red-vinyl covered tables, chairs, and a refrigerator/freezer for food storage. You will also have unlimited use of our fantastic children's Discovery Room* where party-goers can dress up as firefighters and sit behind the wheel of a 1938 Mack fire engine!

**Note the Discovery Room is also open to the public during regular Museum hours*

Add to the fun with a Visiting Firefighter, the Fire-Rescue Game, or a ride on a real Fire Engine! (Additional fees)

**To book your party, contact Amy,
the Museum's
Event/Rental Coordinator.**
